KEEP OUT OF REACH OF CHILDREN CAUTION

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting. **If In Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists. **If On Skin:** Wash with plenty of soap and water. Get medical attention.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through the skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

See Side Panel for Additional Precautionary Statements.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product may be used in homes, restaurants and other food and food handling establishments, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theaters, ships, boats, trains, trucks, yachts, camps, mobile homes, buses, zoos, kennels, military bases, libraries, utilities and sewers.

FOR HOMEOWNER USE

Use Restrictions: Apply only in areas inaccessible to children and pets. Avoid contamination of feed and foodstuffs. Do not treat pets with this product. Avoid contamination of ornamental plants.

Application Directions: to control cockroaches, ants and silverfish, apply liberally scattering under and behind refrigerators, stoves, sinks, dishwashers, washing machine and dryer, tubs, into openings around drains, water pipes and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers and chest of drawers, then scatter liberally in drawer wells. Any powder visible after application must be brushed into cracks and crevices or removed. Reapply as necessary.

*AS AN AID IN CONTROL OF FLEAS

This product will control fleas when dusted over flooring, (cement, wood, tile, linoleum, etc), along base boards and in household areas (excluding carpeting, rugs and upholstery) where fleas have become a problem. Apply only when children and pets do not have access to treatment areas during application. Close off the treated areas for as long as possible. Do not allow children or pet reentry into treatment areas until all visible dust is swept into cracks and crevices or removed. After flea control is accomplished thoroughly vacuum the area. Treat flooring beneath and around pets bedding and sleeping quarters, in garages, porches, crawl spaces and in pet shelters. Repeat as necessary to control fleas in these areas. For control of fleas on pets use an EPA approved product for such use on pets.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a dry place. Do not store where children or animals may gain access.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash.
