JT EATON™ STICK-A-FLY® FLY TRAPS

Effectively control flies and other flying insects with time tested STICK-A-FLY® Fly Glue Traps. The space-age glue traps and holds flying pests, providing effective control without harmful chemicals, poisons, fumes or odors. The stylized "fly" pattern on the No. 444 trap masks any objectionable view of trapped flies. Available in several product styles, the STICK-A-FLY® line has a product that will fit your needs.

STICK-A-FLY® FLY RIBBON ON A ROLL 442

This roll is a 14 foot handy spool of fly and insect catching power. This sticky ribbon roll can be pulled down to expose any length desired. Once that portion is full of trapped flies and insects, simply snip off with scissors and pull a fresh length down, for continuous and economical fly-catching power. 6 Rolls per Shelf Display • 2 Displays (12 Rolls) per Case

STICK-A-FLY® FLY TRAPS FOR WINDOWS 443

Discreet, small size can be easily hidden behind curtains and drapes. Place into right side upper window corners where flies are drawn to naturally. Traps large amounts of flies and is easily disposed of.

24 Packages containing 5 traps each per Shelf Display
1 Shelf Display per Case

STICK-A-FLY® FLY TRAP 444

Decorative and unique, this reliable, effective, convenient attractive trap can be placed on shelves, attached to walls using double sided tape or hung from light fixtures, ceiling grids and more. Includes real pheromone attractant. Package features English and Spanish. 12 Packages per Case in a Shelf Display
