

STICK-A-FLY® GLUE FLY TRAP

- **Effective Fly Traps for House Flies**
Stick-A-Fly® traps flying insects quickly and efficiently without the use of poisons or chemical sprays.
- **Attracts More Flies After First Capture**
Designed to become even more effective once the first fly is trapped, increasing trapping power over time.
- **No Toxic Sprays or Insecticide Vapors**
A safe and chemical-free solution for fly control around food, pets, and children.
- **Simple Disposal**
When full, just discard the trap and insects directly in the trash—no mess or cleanup needed.
- **Ideal for Homes, Kitchens, and Enclosed Spaces**
A discreet and easy-to-use trap for indoor fly problems where sprays aren't ideal.
